*“People where you live, the little prince said,
grow five thousand roses in one garden...
Yet they don't find what they're looking for...
And yet what they're looking for could be
found in a single rose.”*

*"I think it is time for breakfast," she added an instant later.
"If you would have the kindness to think of my needs-"
And the little prince, completely abashed, went to look for
a sprinkling- can of fresh water. So, he tended the flower.
So, too, she began very quickly to torment him with her
vanity- which was, if the truth be known, a little difficult
to deal with. One day, for instance, when she was speaking of
her four thorns, she said to the little prince:*

"Let the tigers come with their claws!"

*"There are no tigers on my planet,"
the little prince objected.*

"And, anyway, tigers do not eat weeds."

*"I am not a weed,"
the flower replied, sweetly.*

"Please excuse me..."
